ORIENTATION

Freshman Orientation was held from Sunday, August 29 until Tuesday August 31 to welcome the freshman class to Rosary College. All freshmen were invited to spend the weekend in the dorms. The freshmen, their parents and all their gear were greeted by the Lifesavers. After they moved in, a reception and picnic dinner were held in the Social Hall and the Quad. After the families left, freshmen and lifesavers enjoyed an evening of getting to know each other and other fun. This was concluded with a candle-light prayer service in the chapel.

On Monday night, after their administrative duties were taken care of during the day, many of the freshmen journeyed to Chicago to enjoy the Kool Jazz Festival. They returned from the musical fun to a "Goopey Board" which consisted of making their own ice cream sundaes and floats. By Tuesday afternoon the commuter freshmen had returned to their homes and the residents were settled in their dorm rooms. They had made the first of many new friends and were ready for Wednesday morning classes to begin.

IN THE FIRST PERSON

IN THE FIRST PERSON was performed at Rosary on October 29, 30, and 31st. The play, an original piece of Religious Theatre, was directed by Larry Connolly and was based on the explanation of various concepts and ideas contained in the prayer, THE OUR FATHER. The text of the play is rooted in scriptual passages while the music was done in experimental style.

THANKSGIVING

"What a delicious meal!"

There was a Thanksgiving Dinner held in Rosary College's dining hall on Tuesday, November 16, 1982 that was for residents. This traditional dinner consisted of turkey, stuffing, sweet potatoes, salad, and delicious cupcakes. The tables were set with candles and flowers in vases which all added to the scenery.

"Don't bother me now I'm eating."

"Why me?"

"Oh no!"

"We're just smiling buddies!"

ROSARY-IN-LONDON

Big Ben and the Houses of Parliment.

The Rosary-in-London program was established in 1971. Since then it has offered students the advantage of living and learning in one of the most exciting cities in the world. The program runs from early September until approximately the middle of December. The academic program is a careful balance of a "British Life and Culture" course for eight credits, and a study project, ordinarily done in the students major field of interest, which is done independently or under the direction of a British tutor. The "British Life and Culture" course covers important trends in the history, art, and literature of Britian, and includes guest lectures, guided visits of the city, and study trips. The course begins with a study tour of Great Britain guided by the Rosary director. In addition students keep a journal with entries of contact with British life and culture.

The following students studied in London this year: Pam Brodl, Hansi Camp, Loredana Capozzi, Kevin Davis, Tom Dee, Ann Feeney, Joyce Fong, Scott Grunow, Kevin Hogan, Debby Lane, Cathy Malone, John McKay, Cathy Vitale, and Jackie Nocels. Their director was Sr. Clemente Davlin.

THINK WEEK

During the week of January 24 to January 28 there were "What Do You Think" group sessions where the faculty, commuters, residents, and staff were able to express their ideas and opinions on certain happenings going on around Rosary College. Some of the things discussed were classes, M.B.A. programs, Library Science, Career nights, and student activities.

There were trained facilitators to start off the discussions. Everyone gave their ideas for how Rosary can improve and what is fine but can be developed a little further. For instance, some of the people were talking about how they would like to see a Doctorate Program in the Health Care System and in Public Administration. They also said the Library Science Program here at Rosary is extremely well developed.

The facilitators at these group sessions combined all the information and sent it to the Dean of Students office.

We feel that out of this work is the start of a planning process for the future which will improve Rosary's atmosphere as a whole college and not affect just a handful of people.

VALENTINE'S DAY

On Friday, February 11, the Housing Office sponsored a Valentine's dance, open to the Rosary community. It took place in Coughlin Lounge, from 9-1 p.m. Donna Mastropolo and Jeanine Eichenold served as D.J.'s for the evening.

SPRING TRIP

From Sunday, February 27-Monday, March 7, 44 Rosary students spent their Spring Break in Daytona Beach. The trip was moderated by Gene Wynn, Director of Student Activities. For a price of $279, students received round-trip airfare and hotel accomodations. The temperature was in the 70's for most of the time. During the day, students primarily layed-out in the sun and at night hit the bars and night clubs. Some students rented cars and went to Disney World or Kennedy Space Center.

AS YOU LIKE IT

The production of AS YOU LIKE IT was performed in Rosary's auditorium on March 18, 19, and 20th. The play was an updated version of Shakespeare's classic, directed by Larry Connolly and stage managed by Kevin Hogan. Punk dancing and rock music were some of the few interesting inovations created on stage. All four performances were sold out. The lighting was done by Lynne Koenig and Jim Groesch, while Steve Forbes handled the sound.

ST. PAT'S PARTY

Chris and friend get down to the beat of the music.

This year the Freshman class sponsored the St. Patrick's Day Dance. The event took place on March 11 in Coughlin Lounge from 9pm to 1am with lots of music, food and dancing. The dance was not only enjoyed by Freshmen but by all other classes. The highlight of the evening was having the class officers serve food and drinks on roller skates.

SPRING ACTIVITIES

Spring Fling

The Spring Fling took place Friday, April 8, 1983 with much success. The event started with mass at 4:30 p.m. in the chapel and continued with a Picnic-Style Dinner held in the Dining Hall at 5:00 p.m. After dinner, the variety show took place in the auditorium at 6:30 p.m. in which 14 acts performed for a large crowd. The last section of the "fling" was a dance in Coughlin Lounge, from 9:00 to midnite, with "Bushwack." The event took place with the help of the Social Commission.

Fashion Show

On Sunday, April 10 at 6:00 pm the fashion show titled THE MASQUERADE was presented by the Home Economics Department. The fashion co-coordinators were Carmen Cerasi, Robin Elliott and Christopher Johnson. Carolyn Chawl and Sr. Diona McNichols were moderators. Roseanne Falzone served as fashion show commentator.

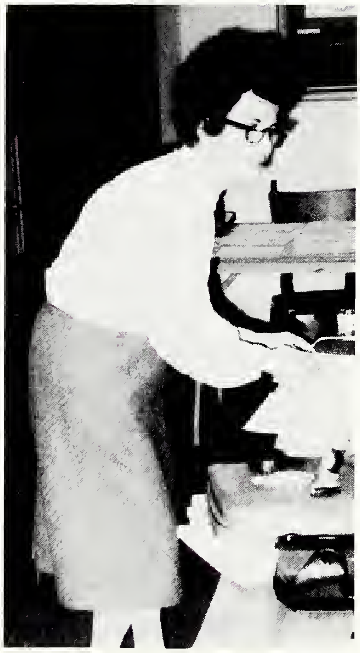
Phonathon



Anna Marie Sciaraffa
Chairperson

Every Monday, Tuesday and Wednesday night during the month of April, the Phonathon took place. This was Rosary's first all out effort to get donations from alumni. Over 100 people participated as workers including students, faculty, staff and alumni. There was $50,000 in pledges as well as many of unspecified amounts. The overall success in donations and in the spirit of the participants will make this an annual event.

CANDLE AND ROSE

The Candle and Rose Ceremony took place on Friday, May 6, at 8:00 p.m. The ceremony has been an honored tradition for fifth-five years, even though the details have changed throughout the years, the essential procession remains the same. Each underclassman partner presents a rose to their Senior as a living symbol of their knowledge that the seniors take with them when leaving Rosary. Each Senior presents a lighted candle to their partner as a symbol of the lamp of learning. The candles continue to burn through the recessional, illuminating the faces of those present. This is a touching ceremony, with a special meaning that will be long remembered.

The ceremony was a special time for the Seniors.

Sr. Jean Murray conferred the Bachelor of Arts Degrees; Norman Carroll conferred degrees in the Graduate School of Business; Tze-chung Li conferred degrees in the Graduate School of Library and Information Science; and Sister Marie Grant conferred degrees in the Graduate School of Special Science. In addition the presentation of the Mother Evelyn Murphy Excellence in Teaching Award was presented to Sister Melissa Waters. The day was highlighted with beautiful weather.

TORCH

Torch members talk with visiting students.

Mike talks to a high schooler about Rosary.

Torch members gather for a meeting with Admissions.

The name "Torch" is symbolic to the Dominican ministry and dates back to the 13th century. The word stems from a dream the mother of St. Dominic had while carrying him in which a dog carried a burning torch in its mouth, lighting the way for the word of truth. The symbolism is carried over to the current Torch group at Rosary. These students spread the word about Rosary College by volunteering their time and effort to the Admissions Office in various ways. Their purpose is to help inform high school students about Rosary from a student's perspective; this is accomplished through telephone calls, campus tours, and hosting overnight guests.

The following served as members of Torch: Cheryl Bristor, Carolyn Brown, Carolyn Bryan, Marina Caballero, Rachelle Donaldson, Carmella Fuoco, Kasha Gajda, Fred Gamble, Maureen Gisch, Holly Goetz, Michael Iring, Lynne Koenig, Karen Kulawiak, Brian Leahy, Pam Leak, Megan Murphy, Desiree Parsons, Jenny Patricelli, Esko Peterson, Anne Post, Eloin Rodriguez, Mona Vyas, Liz Syvertsen, Debbie Willas, Truesilla Williams, Stephanie Worley, Chris Woznicki. Campus Ministry

The Campus Ministry room is located on second floor of Lewis. This is a special corner of Rosary where hospitality is a specialty. It is a place to take a break, get away from it all, and have coffee and cookies. The atmosphere is relaxed to study or chat with a friend. In addition, the school liturgies are planned here. The campus ministry team includes, Father Pete Sharkey, Sister Marci Hermesderf, and Martha Vertreace.

The Chapel adorned with Easter flowers.

Weight Room

Rosary College's athletic department has a new weight room that is equipped with the most modern machines available. A ten-station universal weight machine offers Rosary students the opportunity to develop their bodies to peak performance levels. The Leaper II is the newest machine that has been added. This machine increases the vertical jumping ability of those who use it. This not only helps basketball players, but all athletes. All Rosary students are welcome to use the weight room at the scheduled hours of opening to get in shape.

Rosary is known for it's complete and excellent Rebbeca Crown Library. It is academically efficient with a well rounded collection of books, periodicals, and government documents. The curriculum is supported by the library's richness. In addition the library is architectually beautiful with it's spiral staircase, tall windows, and skylights.

Child Care Center

To encourage parents of small children to continue their education and to accommodate children of faculty and staff, our school operates the Child Care Center. The center is directed by Julie Ranalli along with assistant director Margie McCormick. The center accepts children between the ages of two and six in its pre-school program. The Child Care Center is located on the ground floor of the Fine Arts Building. The center uses the help of students to take care of the children. Activities for the children include walks, picnics, and games. This special corner of Rosary is just for the little children.

MY LAST WALK

As I take my last
walk down the hall,
I'm not so sure
I want to leave at all.

Four years
that I put in
I can't say that I'd
do it again.

But something inside me
wants to cry.
It's so hard to say
good-bye.

Never paid too much
attention in class
but what I learned of life,
will always last.

The friends I made
the fun I've had
it isn't hard
to feel this sad.

We had it easy,
more fun than strife,
these halls and kids
have been my life.

The times we laughed
the times we cried,
a yellow page
we turned aside.

The world awaits
we must move on.
My college years
are finally gone.

I leave the halls
with a tearful smile.
I have to say,
it was all worthwhile.

Life's a game
there's a chance of winning,
this is not the end
it's only the beginning

A LETTER FROM THE EDITOR

Our book of memories and photographs comes to a close. At times I didn't know if the 1982–83 yearbook would make it. It seems there has been one conflict and difficulty after another; many problems no one will know or ever realize. However, due to the special efforts of many terrific people, this book has been possible.

The highest credit has to go to my fantastic staff: Gina Bria, Rose Anna Burton, Lisa Chmela, John Estrada, and Eddie Filippini. I think our minds were set from the beginning. We have learned to rise above anything with determination to put out a yearbook, the first one since 1979. We have been under incredible pressure. The deadlines always came too fast and everything else came too late. We did it though, after spending long days muddling through photos, slaving over layouts and pounding at the typewriter. All I can say is you guys are the best. A special thanks to Eddie for all your time and die-hard dedication. Thanks goes to the photographers for all their work in capturing the memories in photos: Mike Carrier, Eddie Filippini, Karen Koch, and Ursula Luzon. My chief photographer, Karen, deserves a standing ovation. I could never have made it through this yearbook without her. She has shared my strong determination to do whatever it takes to get this yearbook out. Thanks for helping me through the darkness, when I never thought there would be sunshine. You have been an excellent worker, but more a special friend. Another big thanks goes to Gene Wynn for getting us started and giving us support. He deserves credit for putting together our darkroom, taking pictures, and working on the ads.

Thank you to Sister Judy who has always been there, ready to listen and ready to help. I can't express my gratitude for all her assistance and willingness to help. Her secretary, Camille Stebert has also been a big help. Another big thanks goes to Lou in the mailroom, and Pat in the Printing room for all their special help. Thanks to the Registrars Office: Shirley Hains, Vicky Bowmann, and Carol Gloriosso. Due to their assistance we've been able to get so much valuable information, helpful to the production of the yearbook. For all their help with sports and athletic information, thanks goes to Bill Brucks, Nicky Dorn, and Denise Butera. For help in providing other various information and writing copy, thanks goes to John Ballheim, Susan Kessler, Jan Beauchamp, Margie Neuman, and Pat Klbecka. Thanks goes to Ann Feeney, Kevin Hogan, and Debby Lane for sharing their London pictures, and to Nurse Flando for Blood Drive photos. Thanks to all the club presidents and leaders for their cooperation with club pictures. Thanks to Ebert Studios for their work on the Senior pictures. A very special thank you to Dennis Eder of Josten's for all his visits, helpful advice and suggestion, and especially to Josten's for all their patience.

Thanks to all those who supported our book by buying an ad. Thanks to all of the students who also supported us either by ordering a yearbook, or just by believing in our effort. A very sincere thank you to all the faculty and administration for all their faith and cooperation.

Thank you all for the Memories.
